

REPROBEL: INTERNATIONAL REPRESENTATION AGREEMENTS

JUNE 2023

A-type bilateral agreements are agreements in the framework of which monies are exchanged between collective management organisations (CMOs) for usages in their respective territories. B-type bilateral agreements allow the collecting CMO to retain the monies collected on its own territory to the benefit of rightsholders represented by the other CMO, and to pay them out to the collecting CMO's own rightsholders. Typically, B-type agreements are signed with CMOs in countries the repertoire of which is not frequently used on the Belgian territory and/or with emerging CMOs abroad. Unilateral agreements cover the flow from one CMO to another, but not vice versa.

Representation agreements may exclude certain categories of works (authors) and/or supports (publishers), in which case these are typically covered by a separate mandate agreement between the foreign CMO and a Belgian CMO member of Reprobel. Mandates in the framework of representation agreements may be limited by the scope of the representation agreement itself, the scope of the (legal) remuneration or licensing scheme in the territory of either CMO and exclusions or opt-outs on behalf of individual rightsholders as applicable.

For Reprobel's repertoire (Belgian authors and publishers), a general opt-out from the Belgian publishing houses *Mijade & Alice* applies for all usages in the educational sector, and for digital usages in the private and public sector. An overall opt-out applies for all works of *Hergé* (including but not limited to *Tintin*), for all usages and all sectors.

Reprography is not limited to paper reproductions but also includes digital re-use of text & image works for the private and public sector (in most cases), as well as for the publicly funded education and research sector. PLR is Public Lending Rights.
